

To all members of Northants Ramblers

Ramblers Walk About Festival

Saturday 2 June 2018, 10.00 to 18.00

Start on the Green by the Canal Museum, Stoke Bruerne

As part of the Festival the ramblers and heritage guides from the Stoke Bruerne Partnership will be leading walks over the Blisworth tunnel with a boat ride through the Blisworth tunnel in the other direction.

Based at the Ramblers Gazebo on the Museum Green we need Ramblers to help register people for the walks and help with back marking the tunnel walks.

Back markers for the guided walks over the Blisworth tunnel will be guaranteed a place on the boat in the other direction.

If you are able to help for part or all day please contact:
